

I.S. Technician – Hybrid

One Credit Union is currently seeking a Full-Time Information Systems Technician to join our team. This position is a hybrid; it's primarily a work from home position with on-site work as needed/assigned across our 7-branch network in VT and western NH. The technician provides support and trouble shoots across our network, as well as participating in application administration, system monitoring, security, purchasing and departmental projects.

The **IDEAL CANDIDATE** will have:

- 1-3 years of experience in technology support.
- Proficiency in troubleshooting Windows OS, applications, network, and related devices.
- Excellent listening, analytical skills, with strong attention to detail.
- Strong communications skills (oral and written).
- Position requires occasional travel (mileage reimbursed), and may require occasional weekends, holidays and/or nights.

Requirements:

- Graduate of accredited Technical College or comparable experience. Recent grads encourage to apply.
- Wages commensurate with experience and skillsets
- Benefits offered: Health Care, HRA, FSA, Dental, Vision, Life & Disability, 401k plan, Holidays (10), Paid Time Off (PTO)
