“My son got a new phone, and one week later, he dropped it. Luckily with BaZing, we were able to **save \$79**! We have since bought a protective cover for our accident-prone phone, but thanks to BaZing, we could afford it.”

“My husband left his cell phone in his work overalls, and his co-worker put them into the wash. The phone was ruined, so we sent a claim for the purchase of a new one. **\$200 for us**. The process was a breeze.”

- Pamela
