President's Pen

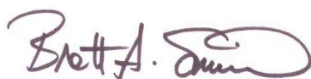

Summer has arrived, and with it, updated guidance relieving the mask mandates. While we look forward to seeing your smiles, please know we are happy to don our masks if you prefer. Just let us know.

With the warmer weather we are busy working on projects to update our entire ATM fleet. Every branch is getting an upgrade (including a long overdue installation in Vergennes!). See the story to the right for details.

One CU has not been immune to the pandemic's many impacts. One of the issues we are grappling with now is staffing. Please take a peek at our [careers](#) page and help us spread the word!

We have all learned about staying safe recently. That needs to go double for your debit and credit cards, especially now that we are all moving about more freely. Do not let your guard down. Learn about our [SecurLOCK Equip](#) solution. It's easy, and it's free.

Enjoy this lovely weather - and remember, if you need some financing to swing that boat, or if you've been planning to upgrade that camper, we can help with that!

ATM Update

More good news - [every single location](#) is getting an ATM upgrade. Installation has begun in Springfield, and will work through all locations. All will have deposit enabled machines which no longer require envelopes. Your cash/checks will be scanned onto your receipt.

At our locations in Chester, Clinton Street-Springfield, and Claremont (NH), we are installing additional video capabilities to the ATMs. These machines can be used as a regular ATM, or you can choose to interact with a live teller by video.

Checking Changes

The free trial of Rewards Plus benefits is ending soon. The Rewards account more than pays for itself with benefits such as cell phone insurance that is typically less expensive than you can get from your carrier. And that is just one of the many benefits! The monthly charge is \$6. If you prefer a different account, changing is easy. Review your [options](#) and [let us know](#) your account preference before July 30th to avoid being billed.

ATTENTION BUSINESS OWNERS!

The new BaZing checking account feature provides members with select access to discounts within the BaZing Merchant Network. There is no charge to merchants to join the network. Let us know if you are interested in listing your business. Let's grow our cooperative. [Learn More!](#)
