

### **President's Pen**

Fall is here, and there is a lot going on at One CU!

I'm pleased to say that construction in our new Vergennes location at 48 Green Street is well under way. Great progress is being made weekly and the new office is really taking shape. We are so excited that we aren't waiting until it is completed before we move into the building! On 10/31, we will be operating out of a temporary branch in the right, rear portion of the new building. Please note, the entrance is from School Street due to the construction. You can read more about that in the "Vergennes Update" section.

I am also pleased to announce that we will be offering our Skip-a-Pay program again this year to members with loans. This annual opportunity to have a little extra money for the holidays or extra winter expenditures is always helpful. There will be more coming on this soon so stay tuned!

Lastly, on behalf of the Team here at OCU, I want to say, "Thank you!" to all of you, our member-owners. We've all been through a rough couple of years, but we have come out stronger on the back side and, because of all of you, OCU is thriving. We appreciate being your Credit Union. As always, we are here to help anyway we can in your pursuit of achieving your financial goals!

Best,  
Brett A. Smith

### **Vergennes Update**

The Vergennes Branch will be in our new building at 48 Green Street on Monday!

We couldn't wait to get into our new building, so we are temporarily setting up shop in the back until the new space is ready!

The temporary branch will open this Monday, October 31st at 9:00 am. This will be in the back right side of the 48 Green Street location.

Not to fear, the same team will be able to help you with your banking needs, but now you will have a place to park! We anticipate being at this temporary branch for a couple months, and will keep you posted on our progress along the way.

Please note, you must enter from School Street. The Green Street entrance will be temporarily closed due to the ongoing construction.

If you have any questions, do not hesitate to reach out! We are happy to help.

---

### **You Made a Difference!**

Remember our push to gather donations for Ukraine earlier this year? We are happy to report that we have raised just shy of \$1,400 in support of Ukraine through donations from our members, teammates, and other organizations.

The war may seem far flung, but it affects people all over. Our teammate, Lana, who works at the Claremont, NH branch is from Ukraine. She has family, including two sons, currently in Ukraine. We

Brett A. Smith  
President and CEO  
One Credit Union

will be donating these funds soon, so this is your last chance to put a cherry on top of the great success this has already been. A very sincere thank you to everyone that donated. It is people like you that make the communities we operate in so strong. [Donate to Ukraine.](#)

### **Grant Wishes and Have Fun!**

Stop by your branch on Halloween and make a donation to Make-a-Wish or wear a costume for the chance to win a \$25 Gift Card and some OCU swag! All proceeds will go to Make-a-Wish VT and NH and will be matched by One Credit Union.

Can't make it on Monday? [Make your donation online!](#)

### **Stay Safe with Card Controls!**

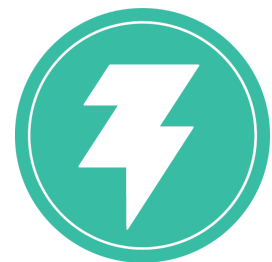

Friendly reminder! All One CU debit and credit card holders can control how, when and where

their debit and credit cards are used. Prevent fraud, control spending, and review transactions with SecurLock Equip!
