

One Credit Union Quarterly Newsletter | Spring 2022

President's Pen

Spring is here, daffodils are in bloom, and we are loving seeing your smiling faces in the branches again!

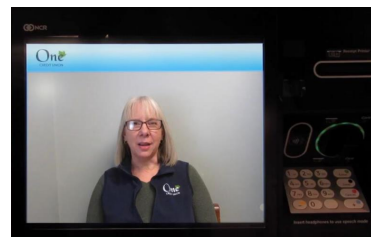

We have big plans for 2022, part of which is the continued upgrading of ATMs in our branches. This had begun late last year in many of our locations with the most recent updates coming in Claremont and Chester, and another installation is coming to our Clinton St. drive up in the coming weeks. These new machines will give you more options for banking than traditional ATMs and many offer the option of speaking with one of our team members live! Keep an eye out for what else we are doing in future newsletters.

In other news, our annual meeting will be held in person for the first time since 2019! Please save the date – Saturday June 4th. We are incredibly excited to have everyone together for the annual meeting again. If you can't make it in person, no problem; we plan to live stream the event as well. Keep your eyes peeled for an email with more info about the meeting and on live streaming soon. You can also read about the details of the annual meeting below.

Finally, I want to thank you for the feedback given in our annual member survey. We always say, "Feedback is a gift. Good or bad it is information we can use to improve.", and your responses help with our goal of providing the best service to you, our members. Moreover, I want to reaffirm our commitment to you and your community. If there is anything we can do to help you meet your financial goals, we are here to help!

Thank you for being a part of the One Credit Union family.

Best,

ATM Update - Watch the Video!

Our new *Actual* Teller Machines have been installed at the Claremont and Chester

branches! Another machine will be installed at the Clinton St. drive-up in Springfield in the coming weeks.

These new ATMs have a lot of cool new features. One big change is that you can video chat with a One CU team member live from the ATM during business hours! This is great if you have questions, forgot your debit card, or just want to speak with a local team member. That's not all! You can choose your withdrawal denomination, cash a check to the penny, make a loan payment, transfer funds right from the ATM and more.

Scholarships Available!

We still have openings for our annual scholarship! If you or someone you know is a high school senior, encourage them to apply today. With ten scholarships available, your odds of approval are really good! [Apply or learn more now!](#)

Annual Meeting Info!

We will be holding our annual meeting on **Saturday, June 4th** in the Capitol Plaza Hotel's Montpelier room. The meeting

Brett A. Smith
