

President's Pen

It has been a great summer so far! We hope you have been able to get out there and enjoy the weather and long summer evenings.

There are big things happening at One CU. First, I am excited to announce that we purchased a new location in Vergennes that will become our new home in town! This location will offer a multitude of advantages over the old location. Not to worry though, we aren't going far! See more info in the next section!

Second, we have some long time employees retiring and moving onto new positions at One Credit Union. I want to give special recognition to Mike Sylvia, our HR Director who recently retired after 9 years of dedicated service. I also want to give a shout out to Donna Judd, our first Branch Manager in Claremont! After 16+ years in retail, most at the helm of our Claremont Office, Donna is semi-retiring and will still be on part time at the contact center. I want to thank her for building the Claremont branch into what it is today. If you have not yet, go say hi to Selina, our new Branch Manager in Claremont, NH!

Finally, our Barre members may have noticed a new face around the branch. Please join us in welcoming Nate Messier on board as the new Branch Manager at the South Barre branch! Not to fear, Jodi is still with us at One CU in Barre. She has taken her years of experience as a manager and has moved up to being the Training and Development Coordinator for the entire Credit Union. Congrats to Jodi as well!

Stay tuned for more info on the project in Vergennes in the coming months along with other updates regarding investments in our people and your Credit Union.

Have a great summer!
Best,

Coming Soon to Vergennes!

The Vergennes Branch is moving... across the street! After 17 years at 7

Green Street, we are excited to announce that we will be moving to 48 Green Street! A lot has changed in the past 17 years, and our support in the town of Vergennes has only grown stronger. This new building will offer several advantages compared to the current location, and no one is more excited to share the changes than Jen, Rebecca, and Emily! The most obvious upgrade will be the surplus of off-street parking! There is no shortage of other benefits, and we will keep you posted as we get closer to opening up the doors. We are very excited to share more on this project, stay tuned for more info in the coming weeks and months!

Scholarship Recipients!

Each year, One Credit Union awards scholarships to hard working high school seniors in the towns

surrounding our branches. This year, we upped the ante and offered ten \$1,000 scholarships! We are happy to report that each branch had at least one local high school student win the scholarship, and some had multiple! Join us in wishing these hard working students the best as they continue their

education, and a special thanks to every member for making this possible!

Appreciation Day!

Four down, three to go! So far we have held the Barre, Claremont, Newport, and Springfield Member Appreciation Days! It has been great catching up with you, and breaking bread, or in this case, buns! Our next event will be at the Essex Junction Branch on August 12th. Fear not Chester and Vergennes, we will be coming your way for Member Appreciation Day too! Keep your eyes peeled for more updates when we have a date selected for your event!
